Distilleries

On Your Way to Front Royal Enjoy Local Distilleries

Filibuster Distillery is a women- and minority-owned business with the soul of a small family enterprise. Our business began on the corner of 9th and M NW, not far from the Capitol, so Filibuster was a natural choice for our name. All you have to do is take one sip and you'll discover something that may surprise and delight you – Filibuster is unlike any other bourbon. It's handcrafted in small batches. Why? Because it's worth it.

Our ultra-premium spirits are made from grape: luxurious brandy, groundbreaking vodka, and refreshing gin. Our family's winery-based distillery brings new, unique, and innovative life to your favorite cocktail or beverage. We are now serving tastings in our distillery store/tasting room (located at Rappahannock Cellars).
